COMMUNITY- WIDE LEADERSHIP DEVELOPMENT SERIES

NEW LEADERS FORUM

MADE POSSIBLE BY THE GENEROSITY OF
BARBARA AND RAY ALPERT

NEW LEADERS FORUM

The New Leaders Forum is a year long leadership development series for a select group of emerging leaders of the Jewish Community. The program, sponsored by The Jewish Federation of Greater Long Beach and West Orange County, will prepare participants for lay leadership roles in synagogues, agencies, and other Jewish nonprofit organizations.

The chosen participants will meet to engage in lively discussions, in-depth dialogue and hands on experiences led by influential speakers and facilitators. In each session, participants will gain important knowledge that will empower them to be leaders in our community.

Participants will have additional opportunities for social networking, Jewish enrichment, and social action.

MISSION

To ensure the future of Greater Long Beach's Jewish Community through leadership skills building, knowledge, understanding, and community interaction.

VISION

- To provide Greater Long Beach Jewish Institutions with identified, educated and willing future leadership.
- To work with all institutions, religious and secular, to identify potential leadership candidates.
- To provide an educational platform in which the participants will learn, share, and grow in their ability to act as leaders in the community.
